Dear parents and carers,

RE: Trips in Ashleworth Village

To ensure that our records are up to date, please could you complete the permission slip below to allow your child to participate in any activities in the **local village area**.

All activities will, of course, be risk assessed by either myself or the teacher involved. Examples of these trips are welly walks, trips to the Church, using the green, the shop or village hall.

This permission slip will be used for the new academic year, Sept 2010 to July 2011, and it will enable teachers to take full advantage of the weather to increase the outside learning opportunities for the children.

Although we will of course always give you notice of proposed and planned activities, especially those requiring particular equipment such as wellingtons, we hope that this system will reduce the need for last minute requests for written authority to take your child out of school.

With kind regards,

Gary Law
Headteacher
